

East Anglia Section AGM Sunday April 16th

The prospect of a thoroughly good Sunday Roast, good weather and the opportunity to drive an Alvis to a popular venue seemed to be the right mix to get members to attend the East Anglia AGM. Well it worked as we had a really good turnout of members and their cars. All very encouraging for the Chairman and his hard working committee members.

Well at least one of the cars has a HARE Mascot

The usual AGM procedures and agenda were adopted with discussion around our successful year especially with our efforts to hold the International after a two year absence due to Covid. The full programme for the coming year was confirmed.

Thanks were proffered to Hugh Ivins and Paul Baker for their work and commitment to the committee as they have both decided to retire. We are pleased that Hugh has decided to continue with organisation of our iconic Autumn Weekend. Hugh and Susi have also been researching the possibility of a new Noggin and Natter in Norfolk. Several venues have already been tried out.

Lively discussion took place with regard to the Bulletin and Section Boundaries. Consensus of opinion amongst attending members was that members in Bedford and Hertfordshire should be consulted as to whether they want to remain as South East Section members or join the East Anglian Section - geographically making better sense due to the restrictions of travel made by the M25 and Greater London.

First appearance after a major engine rebuild

We like to have a committee of at least nine members. With the resignation of two of our members our numbers were down to eight. No nominations were forthcoming and gentle persuasion didn't produce any volunteers. Our predicament was saved at the last minute by David Halsall who stepped up and volunteered his services at the meeting. He was duly proposed and unanimously elected to the committee.

The 14/75 surrounded by modern Alvises

All other members of the committee were prepared to offer their services for another year and were also unanimously re-elected.

After a vote of thanks to the Chairman and the Committee for their dedicated hard work from Paul Galifant the meeting drew to a close after an hour and twenty minutes.

Malcolm Kindell
Chairman East Anglia Section
